

Michigan Youth Sportsmen Competition

May 28, 2022

Hello Coach,

Thank you so much for reaching out to us. We wanted to quickly touch base with you before the event. We have a new name. We have officially changed our name to Michigan Youth Sportsmen Competition or MYSC. This new name was a suggestion from one of our teams, Central Michigan. It has been MYHEC for so long we are still adjusting to calling it our new name.

We are happy to announce that we are busy planning for the state MYSC event for 2022! We are hosting this event on August 13 & 14, 2022, at Capital Area Sportsmen's League (CASL), 7534 Old River Trail, in Lansing, Michigan. We hope you are able to join us this year.

SCHOLARSHIP One scholarships will be awarded this year. Please see the website for more details.

Apparel With a new name and logo, we needed a new look as well. If you are interested in ordering some MYSC apparel we will be ordering through Busy Bee's Embroidery & Gifts. The link to order will be available in July, we will email it out, post it on our website, and Facebook page. All orders will be due by August 1st.

TEAM ROSTER We have had issues in the past of participants selecting different teammates than those chosen by the coach. We are asking that you, as a coach, submit your teams and team rosters to us by August 1st. Please communicate with your team so there are no surprises on the day of the event.

TEAM We are continuing with 5 participants per team. You can have a mixed team of JR/SR on a team. The JR will compete as a junior individually, but the team would compete as a Senior. If you do not have enough participants for a full 5 person team, please let us know. We can sometimes create a team with participants who are competing as individuals or by combining with another team that has extra team members.

FINANCIAL DIFFICULTY If you have a participant struggling financially with the registration fees due to the strain of the pandemic, please reach out to us so that we can assist or encourage them to email us.

AMMO Each participant will be responsible for bringing ammo for both Shotgun and Rifle. Please read the Rules and Regulations and specification on this prior to the event. Please familiarize yourself and the team with labeling and transporting them to and from events. See enclosure.

EVENTS Your team(s) must complete Safety Trail and Wildlife ID on Saturday. Our goal is for you to have one (1) event left and the test to complete for Sunday. Please keep moving from event to event throughout the day. Use the radios to see what is open and use your time wisely. We know you would like to wait for all your groups teams to finish up one event before moving to the next, but please don't do that-- just move on. They will catch up. Archery seems to always take the longest (approx. 3 hours). Plan accordingly, BUT don't miss lunch. You can use your radio to let us know if you are running late.

To reserve your campsite, please fill out a camping registration form (found on the website) and mail it back to us with your payment. A confirmation will be sent to you. Motel lodging is available at your own expense, there are several options near the event.

Archery assistance If your team is needing some extra help prior to the event. Please let me know Tim, the even director and Bowhunters would love to help you out.

Coaches Division Yes we will do this again, as long as there is enough interest. \$75 to participate. (we will refund this if there is not enough interest). No medals will be given, just certificates and bragging rights. Coaches may participate in Shotgun, Rifle, Muzzleloading, Archery, Orienteering, and Wildlife ID. More specific details to come.
